| <ul style="list-style-type: none">● This program does not allow reimbursement for tire "amnesty" programs or any other public drop-off event.● To receive reimbursement, a county or city must provide written certification that the waste tires were only accumulated from illegally dumped or abandoned tires.● Tires must be accumulated in a secure central location point owned by the city or county and approved by the Bureau of Waste Management. Necessary steps should be taken to control mosquitos and other disease vectors.● Reimbursement will be processed on a monthly basis for any tire disposal expenses, when submitted on the one-page KDHE form along with receipts from the disposal company.● Claimants must use a KDHE Bureau of Waste Management permitted waste tire transporter and disposal or recycling facility to receive reimbursement.● The first reimbursement forms will be accepted and processed in June 2008. |
|--|

** This clean-up program is being carried out under the authority granted to KDHE under K.S.A.65-3424g(c)(3). Reimbursement based upon availability of program funding and may be terminated at any time with 60 days notice.*
